Proceedings of the Madras Government, Public Works Department,
18th January 1869.

No. 299. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Ontimetta, 12th December 1868, No. 3,338:—

1. In returning the accompanying Petition from M. Oblasoo, referred to me for any remarks which I may wish to offer, I have the honor to inform you that Oblasoo was absent without leave from 1st to 28th October 1867; was suspended by Mr. Assistant Engineer Brosnahan on his showing himself on 29th October 1867; and was dismissed by me from 16th December 1867, and as I was informed by Mr. Assistant Engineer Brosnahan that Oblasoo had not been ordered to return to duty on 14th November 1867, I considered that he could claim no pay during the time he was under suspension, as he had absented himself without leave from 1st to 28th October 1867.

2. On referring the question, however, to the Controller, that Officer has ruled that M. Oblasoo "is entitled, under the Uncovenanted Service Rules, to one-fourth of his pay as subsistance allowance during the period of his suspension," and accordingly an abstract has been submitted, and intimation of the same was sent to Oblasoo on 17th ultimo.

No. 300. ORDER THEREON 18th January 1869, No. 148.

ESTABLISHMENT, No. 24.

1. The Government, having in G. O., dated 24th September 1868, No. 3,024, directed the restoration of the Petitioner Oblasoo to his situation, now authorize his full salary being passed to him from the date of his suspension up to 24th October 1868, on which date it appears he took charge of his acting post in the Hindoopoor Talook of the Pennacondah Range.

2. The Petitioner's claim to salary from 1st to 28th October 1867 must rest entirely upon his having actually attended to his duties during that period. There should be no difficulty in ascertaining this from the Range Officer under whom Oblasoo was employed.

Most Respected Sir

I with most respect and humbly beg to bring the following few lines to your honors kind Consideration. The greatest inconvenience stated in this petition is that I owe some money in this place (as I have borrowed for my expense upto this time), besides I must prepare for my journey in this rainy season to Hindoopoor which is about 90 or 100 miles distant from this place. Therefore I beg your kind benevolence to take my humble request into notice and to pay me for the days I have stated in this petition, for which act of kindness I shall ever pray your honor —

Most Honored & Respected Sir,

I most respectfully and humbly beg to bring the following few lines to your honor's kind consideration. Before I received your honor's endorsement No. 2155 dated 16th October 1868, I was reinstated by the Superintending Engineer 3rd Division, as officiating Overseer's Writer of Hindoopoor Talug in Notification + No. 86 dated 6th October 1868. On the 7th October /68, I gave the petition ✱ marked A to the Superintending Engineer, regarding the arrears of pay due to me, for which I received the No. ⊗ 2466 dated 7th October 1868, in reply, in which it may be seen that the Superintending Engineer considers my claims forfeited. On receipt of this I again petitioned ᵕ on the 8th, with a view of bringing my case in a more favorable light, but to this I did not receive any reply and on the 6th November 1868, I personally presented myself with a petition – begging a reply to my petitions regarding the arrears of pay, but upto this I have not received any answer.

By your honor's leave I beg to bring to your notice, the amount of arrears due to me in detail.

Half of the month of October 1867, served under Mr. Brosnahan in Raidrug Range Office.

From the 29th October 1867 to 13th November 1867, under Suspension.

From the 13th November 1867 to 16th December 1867, served under the Acting Talug Overseer of Raidrug.

From the 16th December 1867 (on which I received Memo No. 30 marked C from the Ag. Talug Overseer), to 24th October 1868. date of my joining my appointment.

Having heard that some writers in similar cases have received their pay, during time under dismissal or suspension, I humbly beg the same favor may be shown to me.

During the time I was unemployed together with which the expenses incurred in my journey from Bellary to Hindoopoor, a distance of nearly 100 miles, has put me to great distress and debt, which I am unable to pay off, without receiving the arrears due to me. I therefore beg to appeal to your honor's generosity and beg your kindness to further take your poor & humble petitioner's case into your honor's favorable consideration.

I humbly beg to remain
